

The Journal of Korean Gerontological Nursing is the official publication of the Korean Gerontological Nursing Society. It was launched in 1999. The journal is a peer reviewed and scientific journal that seeks to promote development and exchange of knowledge that is directly relevant to all spheres of health in older adults. It also seeks critical reviews and commentaries addressing conceptual, theoretical, methodological and ethical issues pertaining to gerontological nursing.

The official title of the journal is 'Journal of Korean Gerontological Nursing' and the abbreviated title is 'J Korean Gerontol Nurs.' The journal is published four times a year on February 28th, May 31th, August 31th, and November 30th. The text may be written in Korean or English. The abstracts, acknowledgements, tables, figures, and references should be written in English. The articles in this journal are indexed in the National Research Foundation of Korea (NRF) database (Korea Citation Index), the CINAHL Complete, Science Central, Google Scholar, and SCOPUS. The circulation number is 500. The Journal of Korean Gerontological Nursing is an Open Access Journal. Full text is freely available in the following URL address of the Journal: <https://www.jkgn.org>
